ACADEMIC ROADMAP
SOPHOMORE TRANSFERS
Applied Psychology BA
2025-2026

Sophomore Year (30 credits)

FIRST SEMESTER

Course Title	Catalog Number	Prerequisite(s)
Introduction to Psychology (if needed)	PSY 101	
OR		
300-Level PSY Elective		Can be taken ONLY if transferring an equivalent course to PSY 101 with a minimum C grade
PLUS		
College Writing I (if needed)	CWP 101	
Mathematics/Quantitative Reasoning (if needed)	MAT 111 or higher	
Psychological Science Fundamentals	PSY 250	PSY 101
General Education courses	See end of roadmap for GE recommendations	

SECOND SEMESTER

Course Title	Catalog Number	Prerequisite(s)
2 300-level PSY Elective		PSY 101
General Education courses	See end of roadmap for GE recommendations	
PSY Service-Learning Course (see notes)		

Notes and recommendations:

- Important Note: Minimum grade of C required in PSY 101 for all Applied Psychology majors (even if transferred).
- You should attend at least one faculty office hour, visit Academic Excellence Center (math, writing, and general tutoring), and view your degree audit sheet in Degree Works this year.
- Math/Quantitative Reasoning may be taken first or second semester but is limited to MAT courses only and at the level of MAT 111 or higher as the prerequisite for PSY 350 (Statistics).
- PSY 350 can be taken in either of the Sophomore semesters
- PSY 250 and PSY 350 may be taken concurrently
- 300-level PSY electives: one course must be taken in each required category (Bio/Cognitive, Social/Personality, Clinical, Developmental, Applied Psychology & Diversity).
- At least one PSY elective course must be a Service-Learning course (PSY 304 Psychology of Learning, PSY 310 Behavior Modification, PSY 381 Psychology of Culture, PSY 415 Competent Infant, PSY 417 Atypical Infant, PSY 442 Tests & Measure) or an Internship (PSY 488) or a Special Project course (PSY 495).
- Consider enrolling in a minor, microcredential (e.g. Spanish for Mental Health Professionals), or certificate program (e.g. Child Advocacy Studies). Speak with your faculty advisor about these options.

Junior Year (90 credits)

THIRD SEMESTER

Course Title	Catalog Number	Prerequisite(s)
Psychological Statistics	PSY 350	Math/Quantitative Reasoning (MAT111 or higher)
1 or 2 300-level PSY Electives		PSY 101 with minimum C grade
General Education courses (if needed)	See end of roadmap for GE recommendations	
All-College Electives courses		

FOURTH SEMESTER

Course Title	Catalog Number	Prerequisite(s)
Evaluating Psychological Science	PSY 360	PSY 350
1 or 2 300-level PSY Electives		PSY 101 with minimum C grade
General Education courses (if needed)	See end of roadmap for GE recommendations	
All-College Electives courses		

Notes and recommendations:

- Visit the Career & Professional Education Center to discuss appropriate career options.
- 300-level PSY Electives and General Education courses should be completed by the end of Junior year
- At least one PSY elective course must be a Service-Learning course (PSY 304 Psychology of Learning, PSY 310 Behavior Modification, PSY 381 Psychology of Culture, PSY 415 Competent Infant, PSY 417 Atypical Infant, PSY 442 Tests & Measure) or an Internship (PSY 488) or a Special Project course (PSY 495).
- Speak with your faculty advisor about graduate school plans and options.
- Speak with your faculty advisor about individualized research project options if interested (PSY 495 Special Project or PSY 499 Independent Study).

Senior Year (120 credits)

FIFTH SEMESTER

Course Title	Catalog Number	Prerequisite(s)
Professional Skills in Psychology	PSY 468	PSY 360
400-level PSY Elective		Each 400-level course has specific prerequisites. See the course catalog for details and speak with your advisor.
All-College Electives courses		

SIXTH SEMESTER

Course Title	Catalog Number	Prerequisite(s)
400-level PSY Elective		Each 400-level course has specific prerequisites. See the course catalog for details and speak with your advisor.
All-College Electives courses		

Notes and recommendations:

- Apply for graduation; apply to graduate school, if applicable; visit the Career & Professional Education Center to have your resume reviewed.
- Speak with your advisor about graduate school plans and options; applications are typically due December through March depending on program specific requirements.
- PSY 488 (Internship), PSY 499 (Independent Study), PSY 496 (Honors Thesis 1), and PSY 495 (Independent Project) can count for 400-level PSY elective (see your advisor).
- PSY 468 (Professional Skills in Psychology) can be taken in either senior semester.
- Speak with your faculty advisor about individualized research project options if interested (PSY 495 Special Project or PSY 499 Independent Study).
