Focus

Committee will focus on providing advisory support and strategic suggestions for Academic Affairs organizational improvement:

- **Provide Input:** Offer advice and feedback on matters concerning academic policies, initiatives, and strategic priorities.
- **Share Perspectives:** Represent the diverse voices across the university community, ensuring that various viewpoints are considered when making decisions that impact academic affairs.
- **Collaborative Dialogue:** Engage in open, constructive conversations with fellow committee members and academic leadership to identify challenges, opportunities, and areas of growth within the academic sphere.
- **Support Academic Excellence:** Contribute to the development of strategies that enhance teaching, learning, and research, helping us fulfill our academic mission and vision.
- **Advisory Role:** Provide thoughtful, non-binding recommendations to the Provost and Academic Affairs leadership team.
